NIGHT TIME NIBBLES

If your celebrations continue into the evening, we're on hand to keep everyone well fed. Late night sustenance may come in the form of haddock & fries, or Pearly Cow sliders - or whatever your usual go-to is after a few wines! Chef will be more than happy to discuss options.

REHEARSAL DINNER

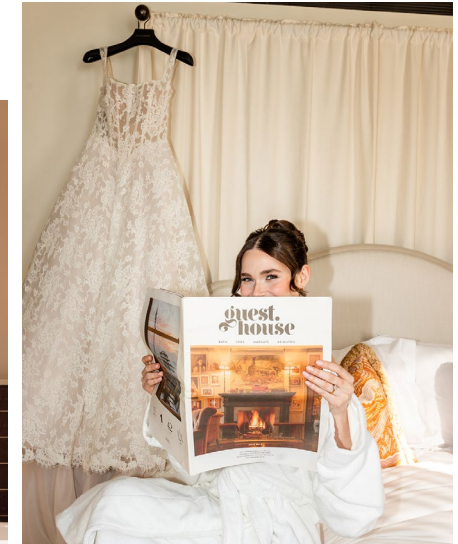

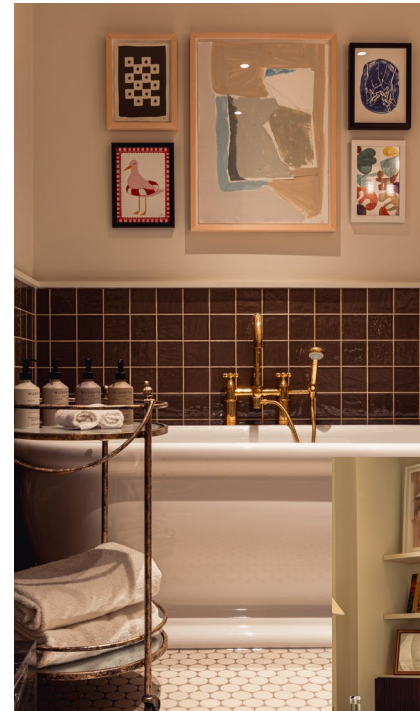

Whilst not quite the American concept, we firmly believe in taking every chance to gather with our nearest & dearest.

Stay the night prior and enjoy preferential pricing for groups of bedrooms of four or more.

The Getting Ready

Whether you stay the night before or arrive on the day, we'll make sure there is space for the bridal party to set up camp, pop a few corks and get ready for the day ahead. We'd suggest a light elevenses of finger sandwiches, and a few mimosas to steady nerves. The Hideout Suite is ideal to host this, with a spacious separate lounge, and should be booked the night prior to guarantee early access on your wedding day.

AND SO TO BED

blush-hues & sunset views

For evening-hire weddings, a selection of bedrooms are included within the hire cost, including nine bedrooms midweek or eighteen bedrooms on Fridays – always including the Hideout Suite, complete with its rather inviting hot tub.

For those choosing exclusive use of No. 124, the entire house is yours, with all 32 bedrooms included to sleep up to 64 guests. Whichever option you choose, bedrooms are included within your minimum spend, along with breakfast the following morning and, of course, full pantry-raiding rights, the perfect ending to a night of celebrating.
