

Marvellous Nanny Services

We are delighted to partner with Marvellous Babysitting to offer our guests complimentary Marvellous Membership during their stay, providing access to trusted Norland Nannies for in-room babysitting and childcare support.

How it works:

1. Download the Marvellous Babysitting App
2. Create your account, setting your address as our hotel
3. Let a member of our team know before or during your stay that you'd like to arrange a nanny
4. Your Marvellous Membership will be activated, and you can book with ease

Simply post your preferred date and time in the app and your request will be shared with available local Norland Nannies.

You'll be able to view full nanny profiles, including previous reviews, and add booking notes. In-app messaging allows you to stay in touch with your nanny both before and during the booking, offering complete peace of mind.

Continuing the experience at home

If you've enjoyed the service, you'll receive an exclusive 20% saving on Marvellous Membership to continue accessing trusted childcare once you return home.

Terms of Use – Marvellous Membership (Hotel Guests)

Complimentary Marvellous Membership may be activated within one month of your stay, allowing you to arrange the childcare you'll need during your stay.

All babysitting bookings require a minimum of two hours' notice and are subject to nanny availability.

The 20% Marvellous Membership discount for use after your stay is available only in areas where Marvellous actively operates.
